In India most of the women cricket players are playing cricket in school level (Govt. Schools) in country up to 12th standard. Some of women players playing cricket in college/university level. Mostly these women cricketers leave cricket after this ie 10+2 (12TH) standard. AWTCA is trying to provide these above said school/college women players' official/legal platform where they play official cricket & get benefit from State Govt. & Govt. Of India (Ministry of youth affairs & Sports (YAS) in its various schemes regarding women sports. Our Association (AWTCA) has been organizing Twenty20 women Cricket championships keeping in mind that in India hundreds of all level women cricket players from backward areas, backward class & background, Govt. Schools in India are playing cricket. All India women Twenty 20 Cricket Federation (AWTCA) is a big official/legal platform for those neglected talented women cricket players from all over India who cannot avail any opportunity to come forward and serve the country through their cricket talent. These women cricket players waste their time money and talent by playing under false clubs/academies moreover most players involve in human smuggling and spoil their future. AWTCA is project of ITCF INDIA only for women's ie players & officials all the admn. In hand of women's it's a small effort of ITCF to lift the standard of sports (cricket) in India.
